Strange.

A good example of what is sar-
castically called feminine logic is
presented by a story told by a
French paper.

Mr X., a member of the Cham-
ber of Deputies, is traveling with
his wife. They arrive at a sea-
side station and alight. The
train passes on.

Presently madame becomes sud-
denly excited.

"My umbrella! my umbrella!
Where's my umbrella?"

"Whew!" says the Deputy. "I
left it on the train."

"On the train! And to think
they intrust the affairs of the na-
tion to a man who isn't capable of
taking care of a woman's umbrel-
la!"—Youth's Companion.

Born a Genius

Disease Threatens to Cut
Short a Noble Career

But Hood's Sarsaparilla Restores
Good Health.

Little May Bentley is an accomplished elocu-
tionist and natural born speaker of only 13 years
of age. She is the only child temperance lec-
turer before the public. Her genius, however,
did not exempt her from an attack of a disease
of the blood. Her own words best tell the story:
"C. I. Hood & Co., Lowell, Mass."

"I heartily join with the many thousands that
are recommending Hood's Sarsaparilla. I had
been troubled from infancy with gatherings in
the head. I was compelled to leave school upon
the doctor's advice. He thought it was the only
thing to save my life, but I

Continued to Grow Worse.

I was persuaded finally by a friend to try Hood's
Sarsaparilla. The use of one bottle acted ef-

fectively upon the blood and I began to improve.
After the use of three bottles the gathering
ceased and I am cured of my former trouble. I
owe my life and will always remain a true friend
to Hood's Sarsaparilla." LITTLE MAY BEN-
TLEY, Shelbyville, Indiana. Get HOOD'S.

MRS. AUG. DARROW.

WELLS, RICHARDSON & Co.,

Gentlemen:—I was very much run down, had no appetite at all, was very nervous, had no sleep night or day; to
sum it all up, I was perfectly wretched. But thanks to Paine's Celery Compound I can now eat and sleep and
work just as well as I could before I was taken sick. When I commenced taking the Compound I weighed 136
pounds; I now weigh 158 pounds and do all the work for my family of five. I have recommended the Compound to three
families already and they are very much pleased with it. I am now taking my fifth bottle, and would recommend
it to all who are suffering with stomach trouble or nervous trouble.

Yours respectfully,
MRS. AUG. DARROW.
